PARTIES & EVENTS AT THE STRAND

Our vibrant, friendly pub is a unique venue spread over three floors with a small sheltered garden. We have two magnificent rooms for private get-togethers, one upstairs and one in the basement. We can of course also reserve tables in our main bar for more informal bashes. Whether it's for that special birthday party, a business meeting or for private dining we're sure we have something for you.

UPSTAIRS

Our upstairs dining room is a simply stunning room for private dining, business meetings or smaller parties. Opulently decorated it really is a great private space. We can seat up to 22 on one large table or up to 24 on two tables, and for buffets the room can hold up to 45. Our chefs can develop all sorts of menus to suit, or you can choose from one of our buffet options.

Our basement room has a party feel about it the moment you step in. It is suitably intimate and has its own bar with draught and bottled drinks if you want it. DJs or playlists can be organised, or you can bring your own music and plug it in to the sound system. It can hold 60 depending how much room you need for dancing.

DELICIOUS DRINKS

We have a perfectly formed wine list (i.e. carefully selected and not pages long); 5 ales on tap which regularly change, great draught beers and ciders and a varied and intriguing array of bottled beers. We serve cocktails and can provide specific concoctions for your event, including our special cocktails in a teapot (trust us, tea never tasted this good).

FABULOUS FOOD

Our food philosophy is all about simple, fresh food. Our food is prepared in house by our ever so talented chefs and therefore we can be extremely flexible about menus. If you have a specific requirement (or craving), just ask the question and we'll do our best to pull something together for you.

TECH STUFF

If you wish to bring an iPod, MP3 or similar we can plug it in to the sound system in either of our rooms. Equally if you have a playlist request we can dust off our DJ skills and source something for you.

We regularly host live music nights at The Strand so if you're after some live music we can provide you with some details and recommendations. Equally if you want a DJ we have people that we regularly use.

We have a projector and screen for presentations and we have free Wi-Fi throughout the building. Our downstairs room also includes a TV and DVD player if required.

MEETINGS

Our rooms are used for a number of different meeting purposes. From Business Meetings to Training Courses to "Knit and Natter", our spaces offer great flexibility. We have a projector and screen plus free Wi-Fi. We can organise coffee, tea and biscuits at prescribed times or set up a hot drinks station in the room. A hire fee or minimum spend is applicable.

COSTS

Room hire is subject to a minimum spend, which is normally covered if you are having food or partying. We also require a £50 deposit to secure the room booking for you. Please have a chat with our Lianne or Emily for further information.

GET IN TOUCH

As no event is the same as the next one, we find the best way to ensure you get the perfect experience here at The Strand is for you to pop in to see us to look at our facilities and discuss your individual requirements.
